

**State Water Resources Control Board
Groundwater Ambient Monitoring and Assessment (GAMA) Program
Statewide Basin Assessment Project
Central Sierra Study Unit
Wrap-Up Meeting**

Wednesday, June 6th, 2007

1:00 pm – 3:00 pm

Department of Water Resources Building
3374 East Shields Avenue
Fresno, California

AGENDA

- Introductions; Meeting Overview
- GAMA Program Overview:
State Water Board
- Study Unit Assessment Review:
US Geological Survey
- Wrap-up and Adjourn

Background: This GAMA study unit includes the Upper Fresno River watershed and the upper north fork of the San Joaquin River (outside of DWR defined groundwater basins). Stewardship of the state's groundwater resources is the shared responsibility at all levels of the government and community. Participation in the GAMA Program is voluntary. The main objectives of the GAMA Program are to improve statewide ambient groundwater quality monitoring and assessment, and to increase the availability of information about groundwater quality to the public. The State Water Board is partnering with the US Geological Survey and Lawrence Livermore National Laboratory to implement GAMA.

Directions:

See next page for map.

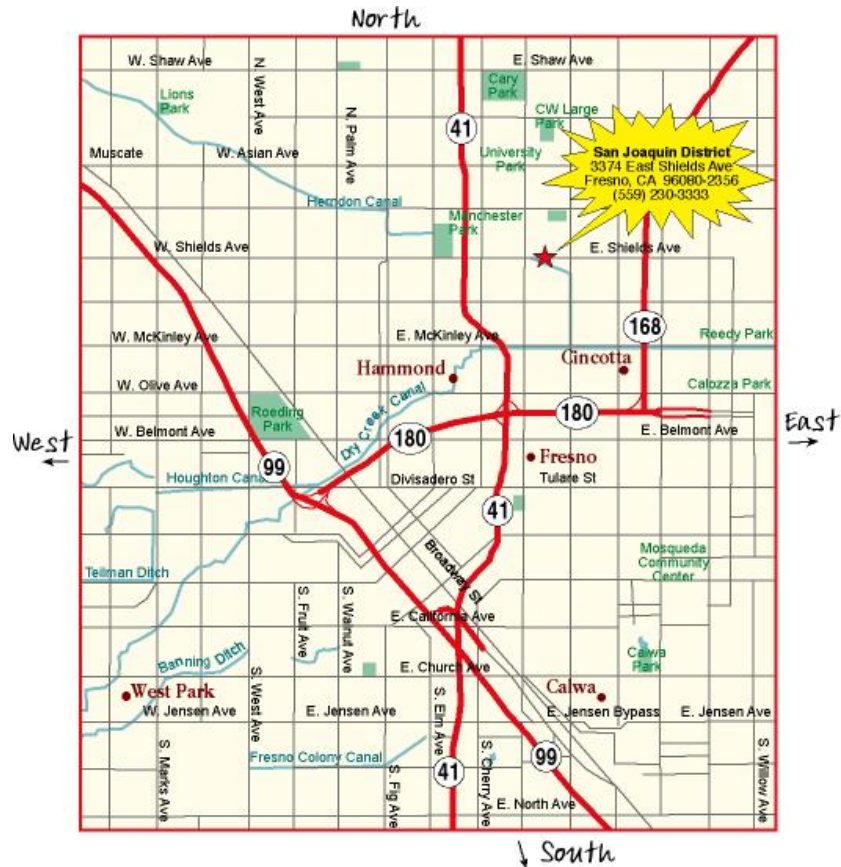

Note:

Meeting date is subject to change. Please confirm your attendance with Julie Saturnio at 916 341-5860 or jsaturnio@waterboards.ca.gov. For more information, please visit www.waterboards.ca.gov/gama or contact John Borkovich (GAMA Program Manager) at jborkovich@waterboards.ca.gov.
